

14 March [MON]

Room	9:15~	9:30~	11:30~	12:00~	12:30~	14:00~	14:30~14:55	14:55~	15:00~	17:00~20:00			
A	Opening remarks + information	Oral	🇬🇧 Plant community	Virtual lobby	Lunch break			Break	Oral	🇬🇧 Behavior	Virtual lobby		
B		Oral	🇬🇧 Animal-plant interaction						Oral	🇬🇧 Material cycling			
C		Oral	Fungi and microbes						Oral	🇬🇧 Ecosystem management			
D		Oral	Landscape ecology/Succession and regeneration						Oral	Plant community			
E		Oral	Plant ecophysiology						Oral	Plant ecophysiology			
F		Oral	Animal community						Oral	Animal community/ Life history of animals			
G		Oral	Animal-plant interaction						Forum	U02 Ecological Research Forum		Oral	Animal-plant interaction
H		Oral	Behavior						Forum	U03 Renewable energy and biodiversity conservation		Oral	Evolution
I		Oral	Biodiversity/Introduced species						Forum	U04 Ecological Management Committee		Oral	Introduced species/ Conservation
Others	Poster presentations (Accessible at all times)				Poster Core Time A		Poster presentations (Accessible at all times)						
Exhibition of sponsors (Accessible at all times)													
				W01 Moai						Board of representatives			
Room	9:15~	9:30~	11:30~	12:00~	12:30~	14:30~	14:55~	15:00~	17:00~20:00				

🇬🇧 English session

15 March [TUE]

Room	9:30~	9:50~	10:00~	12:00~	12:30~	13:00~	14:30~	15:00~	15:25~	15:30~	17:30~	18:00~20:30
A	The Suzuki Award (Dr. K. Uchida)	Break	Oral  Plant ecophysiology /Life history of plants	Virtual lobby	Lunch break			The ESJ Prize (Dr. J. Takabayashi)	Break	Oral  Evolution	Virtual lobby	Award Ceremony + Banquet (18:30~)
B	The Suzuki Award (Dr. K. Matsumura)		Oral  Animal population/ Fungi and microbes					The Miyadi Award (Dr. S. Dobata)		Oral  Mathematical ecology		
C	The Suzuki Award (Dr. J. Kass)		Oral  Conservation					The Ohshima Award (Dr. A. Nakamura)		Oral  Biodiversity		
D	The Suzuki Award (Dr. Y. Yamasaki)		Oral Plant population/Plant reproduction					Oral Plant reproduction				
E			Oral Material cycling					Forum U08 Measures against invasive alien species				
F			Oral Animal population					Oral Animal population/Animal reproduction				
G			Oral Behavior					Forum U05 Field safely training				
H			Oral Mathematical ecology					Forum U06 How to promote Open Access				
I			Oral Conservation/Ecosystem management					Forum U07 Ecological education with Corona				
Others	Poster presentations(Accessible at all times)					W01 Moai	Poster Core Time B		Poster presentations(Accessible at all times)			
Exhibition of sponsors (Accessible at all times)												

 English session

16 March [WED]

Room	9:00~	16:00~	17:30~
A	Travel to Fukuoka	General meeting (online)	
B			
C			
D			
E			
F			
G			
H			
I			
Others			
Room	9:00~	16:00~	17:30~

17 March [THU]

		9:00~	12:00~	12:30~	13:00~	16:00~	16:30~	18:00~	18:30~	20:00~	20:30~21:30
On-site (hybrid)	Room A	S01 Frontiers in field ecology	Virtual lobby	Lunch break	S05 Ecology of Infectious Disease	Virtual lobby	W01 Climate change and Island Biota	Virtual lobby	W07 Genetic and evolutionary dynamics in structured populations	Virtual lobby	Virtual lobby
	Room B	S02 Ecosystem-based Disaster Risk Reduction (Eco-DRR)			S06 Ecology and evolution of algal life cycle		W02 Genomics to rare species		W08 Love of insect IV		
	Room C	S03 Management of the Yambaru area forests			S07 Understanding plant-plant interactions and communities		W03 Beach insects and the sea environments		W09 Survival of plants under various stresses		
	Room D	S04 Challenges by ecologists in One Health			S08 Biodiversity big data		W04 Plant physiology on a rainy day		W10 Above- and belowground linkages		
	Room E	Viewing room			S09 Agriculture and biodiversity for the next generation		W05 Morphometrics as a tool		W11 open science/citizen science		
	Room F	Viewing room			Viewing room		Viewing room		Viewing room		
Online	Room G						W06 Population dynamics and indirect effects	Virtual lobby	W12 Tick-borne disease risk	Virtual lobby	
	Others	Poster presentations + Exhibition of sponsors (accessible at all times)									
		9:00~	12:00~	12:30~	13:00~	16:00~	16:30~	18:00~	18:30~	20:00~	20:30~21:30

 : On-site (Participation via zoom is possible)

 : Online (For those assigned to Room E, you may also participate on-site)

 : English session

18 March [FRI]

		9:00~	12:00~	12:30~	13:00~	16:00~	16:30~	18:00~	18:30~	20:00~	20:30~21:30
On-site (hybrid)	Room A	S10  Linkage of animal and nutrient dynamics	Virtual lobby	Lunch break	S15 Gene regulation in ecological context	Virtual lobby	W13 Fieldwork and statistical modeling	Virtual lobby	W19 KAKENHI: How to apply DC&PD	Virtual lobby	Virtual lobby
	Room B	S11  Biogeographic contingencies in macroevolution			S16 Social-ecological systems in lands and sea		W14 Idea presentation competition		W20 Engage with mass media		
	Room C	S12 Spatial ecology			S17  Decomposition of plant litter		W15 Animal-microbe symbioses		W21 Environmentally friendly farming		
	Room D	S13 Digital biosphere			S18 Endangered aquatic insects in the Ryukyu Archipelago		W16 Structure and function of agrobiodiversity		W22 Matrix Models in R		
	Room E	S14 Behaviour of non-neural organisms			S19 Legacy effect of semi-natural grassland		W17 Multifunction and utilization of Green space		Viewing room		
	Room F	Viewing room			Viewing room		Viewing room		Viewing room		
Online	Room G						W18 Thesis Poetry	Virtual lobby	W23 Museum practice courses and Ecology	Virtual lobby	
	Others	Poster presentations + Exhibition of sponsors (accessible at all times)									

 : On-site (Participation via zoom is possible)

 : Online (For those assigned to Room E, you may also participate on-site)

 : English session

19 March [SAT]

		9:00~	12:00~	12:30~	13:00~	13:30~	16:00~	16:30~18:00
On-site (hybrid)	Room A	S20  Spatiotemporal dynamics of biodiversity	Virtual lobby	Lunch break		Public lecture		Virtual lobby
	Room B	S21 Global Warming and Methane Uptake in Upland Soils					S25 The ecology of degraded tropical rain forests	
	Room C	S22 Long-term monitoring of social-ecological systems					S26 Social implementation of big data on biodiversity	
	Room D	S23 Exploring the fungal ecology					S27 Plant Phenotyping	
	Room E	S24 Microbes on plant reproductive organs					S28  Evolutionary dynamics driven by hybridization	
	Room F	Viewing room					Viewing room	
Online	Room G		W01 Moai					
	その他			Poster presentations by high school students	Break	Ecology course for high school students/Award ceremony		
	Poster presentations + Exhibition of sponsors (accessible at all times)							

 : On-site (Participation via zoom is possible)

 : Online (For those assigned to Room E, you may also participate on-site)

 : English session
